

Elite ICE Earset

The Clear Choice

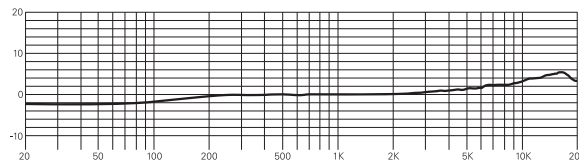

The Mogan Elite ICE Omni Earset Microphone takes clarity to a new level. Featuring the exclusive Invisi-Clear Earpiece (ICE), the industry's only transparent earpiece, it provides low visibility on stage with Mogan comfort. A discreet, 2.5 mm Omni-directional condenser element faithfully captures every nuance of a presentation in sparkling detail. Its moisture-resistant capsule and hypoallergenic earpiece may be sanitized if the microphone is shared. Mogan Elite ICE is the clear choice for broadcast, theater, and house of worship.
